

Employer's Expectations

5 Key Soft Skills

COMMUNICATION

Speak up! Be communicative with your colleagues and supervisors! Ask questions and seek clarification.

TIME MANAGEMENT

Be on time! It is important to manage your own time. Also take into account other people's time!

RESILIENCE

There will be a lot of new challenges in the workplace so be resilient and persevere! Try to face setbacks with a positive attitude.

PROACTIVENESS

Don't wait around for instructions and tasks. Be proactive and show your colleagues your willingness to learn!

TEAMWORK

Be a good team player! Working together with others can promote better working relationships and efficiency.
