

CV/Interview checklist

Review **job description**

Check **job criteria** and **demonstrate** how your skills (and any relevant experience) could match those needs

Compile relevant **work experience/extracurricular activities**

Highlight **transferable skills** you've gained from previous projects/part-time jobs

Research the company

Make sure you have an idea of where you're applying to

Prepare a list of **possible questions** they may ask in the interview

Have **questions** ready **for the interviewer(s)** afterwards

Show the interviewer(s) that you're **interested in their company** and want to learn more about them

Practice mock interviews

Practice makes perfect! Do it with a friend or by yourself in the mirror

Rest well before the interview

Wear appropriate attire and **arrive** to the interview **early**

Be the **best version of yourself** ★
